GBTK (GBTK Pty Ltd, GBTK AUSMAINT JOINT VENTURE Pty Ltd and GBTK PLANT HIRE Pty Ltd) is committed to developing and maintaining an Incident free workplace for all personnel involved with our operations.

It is the policy of GBTK that all employees, customers and contractors have the authority and the obligation to call a "TIME-OUT" for safety or "STOP WORK" in any situation, that they feel could result in an unsafe act or condition.

Work that ceased due to a Stop Work order must not be resumed until the task is re-evaluated for a safer and harmless approach. Should there be any reasonable doubt; the worker shall immediately consult with their supervisor to seek the best way to continue the work safely.

There shall be no blame or fault put on any worker calling for Stop Work even if, upon investigation, the stop work order was deemed unnecessary. The Stop Work order must be applied in good faith.

GBTK management will support this policy and ensure all personnel understand its importance in the goal of an Incident Free workplace. There is no job so urgent or important that we cannot take the time to plan or and do it safely
